

1 Q. **Emergency Management**

2 Further to the response to PUB-NLH-077 provide the status of the emergency
3 response and restoration investigation(s). If these studies are complete, provide
4 electronic copies of the reports.

5

6

7 A. A report of Hydro's emergency response and restoration investigations related to
8 the events of January 2014 was presented to the Board on March 24, 2014 as part
9 of its Internal Review Report (see Volume II, Schedule 10). All actions
10 recommended by this investigation were incorporated into Hydro's Integrated
11 Action Plan (IAP), one of which is complete (IAP 77), and the remainder are being
12 progressed (see IAP 30, 76, 78, and 79). The Board was updated on the status of
13 these actions on August 22, 2014 and a further update will be provided on
14 September 19, 2014.
