- 1 **Q. Has Newfoundland Power undertaken a review of its operational plans since the**  
2 **events of December 2013 and January 2014 to deal with severe storm forecasts and**  
3 **system problems to identify any necessary improvements? If not, why not? If yes,**  
4 **have any improvements been identified to date?**  
5
- 6 A. See the response to Request for Information PUB-NP-036 regarding Newfoundland  
7 Power's ongoing assessments of its performance during the system events of January  
8 2014.  
9
- 10 See the responses to Requests for Information PUB-NP-028 and PUB-NP-029 regarding  
11 Newfoundland Power's operational plans regarding severe storm forecast and system  
12 problems. The events of December 2013 and January 2014 do not, in Newfoundland  
13 Power's view, require it to review these operational plans at this time.
