Re: Quarterly Update – Items Impacting the Delay of Hydro's Next General Rate Application

Newfoundland and Labrador Hydro's ("Hydro") efforts to identify and evaluate opportunities to further streamline its General Rate Application ("GRA"), wherever possible, is ongoing. As a result of advancing these filings and streamlining its GRA proposals, Hydro will file its next GRA with a 2027 Test Year in April 2026, for customer rates effective July 1, 2027.

Should you have any questions or comments about any of the enclosed, please contact the undersigned.
